SUDBROOK PARK

Sudbrook, one of the most desirable suburban communities in the Baltimore area, was, before the city expanded to its present boundaries, exclusively a summer colony where residents of the old city enjoyed their summer homes amid surroundings of exquisite natural beauty.

As indicated on the map contained herein, smoothly paved roads of natural scenic splendor will lead you to Sudbrook Park in just two minutes from the community of Pikesville. Here in Pikesville are available public services and stores of every description—Public and Parochial schools, library, clubs, and theatres. Busses to and from the city are available direct to Sudbrook Park. And too, Sudbrook Park is located in Baltimore County, just over the City Line, where taxes are lower.

YOUR SUDBROOK PARK PROPERTY IS RESTRICTED.

This Development and the restrictions thereon have been approved by FEDERAL HOUSING ADMINISTRATION.

The homes are inspected and approved by FEDERAL HOUSING ADMINISTRATION.
