Sudbrook Park

HALLOWEEN PARADE

SUNDAY, OCTOBER 30, 2016

**Join the Fun at the Annual Sudbrook Park Halloween Parade
Sunday, October 30th, at 3 pm!!!**

Show everyone your scary, pretty, heroic, or wacky costumes as we celebrate Halloween with a Sudbrook Park tradition. The parade starts at the Kingston / Adana / Windsor triangle and marches to the playground where there will be prizes for the best costumes in each age category. Trick or treating around the neighborhood will follow the event. Neighbors are reminded to avoid parking on the parade route along Adana, Carysbrook, Olmstead and McHenry Roads. Thanks for your help!

Visit the Little Free Library

Sudbrook Park has our first Little Free Library. If you aren't familiar with this wonderful nonprofit-reading-promoting movement, you can access their website at www.littlefreelibrary.org

Stop by the entry triangle at Cliveden and Sudbrook Lane and check it out! Books are for taking or borrowing. Donations are welcomed! We are aiming to keep the library half full with children's books in addition to books for grown ups. **Also, we are happy to announce that a second library was recently installed at the park playground.**

Sudbrook Park Community Association Directory

The Sudbrook Park Community Association is in the process of assembling a Community Association Directory. The intent is to help neighbors get to know one another. The Directory will also include important information about Sudbrook Park. We hope that everyone will choose to be listed in the Directory. You will notice an elevated effort to collect information for the Directory. We hope to use social media, email, neighborhood events and even door knocking to collect information to assemble the Directory. If you would like to assist in collecting information for your block please email me at izzydens@gmail.com. While it is encouraged to have updated membership to be listed in the Directory, it is not required.

Common Ground Community Center, a resource center for home schoolers and their families located in Pikesville, is collecting new kids slippers, sizes 13-3, for INNterim, a transitional housing program for women and children located in our community. Folks are welcome to leave them on my porch at 508 Sudbrook Lane and I will take them into Common Ground.

HAPPY FALL!

Whew! I know it hasn't been fun having our water lines replaced and the streets are certainly in sad shape but the alternative is much worse! Thanks for all your patience around the construction and when it is all done our roads will be replaced and we should have less water main breaks. I don't have an exact date for the projects completion but they have been working double shifts for the last couple months and I think it will finish up next year sometime with some time off for winter weather,

Our landscape committee has been surveying the neighborhood for good street tree replacement spots. We lose trees every year and it is really important that we have a good strategy in place to replace them. We are working on coming up with a program to both help with the purchase of the trees and with the planting and will keep you posted on the Facebook page. If you are interested in being put on a list for free or reduced price trees and/or would like help with the planting send an email to president@sudbrookpark.org with trees in the subject line.

We now have two Little Libraries in the neighborhood thanks to Deana Karras!

We have also applied for a grant from Lifebridge Health to kickstart a neighborhood program to help anyone who needs it with yard work, lawn mowing etc. Thanks to Cory Farr and Michelle Garcia for proposing this program and doing the hard work on the grant application.

Thanks also to Ramon Gonzalez for all his hard work in getting Soccer Shots up and running in our stream valley park. I have heard nothing but wonderful things about this program and the photos in Facebook are worth a thousand words.

We have our Halloween Parade permit so watch out for tiny monsters, witches, the occasional toilet and other wonderful fancifulness on October 30. Parade takes off at 3 pm from the Kingston/Windsor/Adana triangle.

We always welcome anyone at any of the monthly meetings and can always use volunteers to help with events, task forces on road issues etc. See the listing of where and when the monthly meetings will be happening elsewhere in the newsletter.
