President's Message: Why Membership Counts!

Did you know that last year we spent \$1,500 just to mow our triangles? You probably didn't. So with a membership fee of 25 dollars per household, that means it takes 60 households paying their annual Sudbrook Park membership just to be able to cover our mowing costs. Currently 60 households represents about a third of all dues paying households. To make matters worse, there has been about a 25 percent drop in membership since 2006. It's true that we raise additional funds with flower and bake sales, and we take a collection each year for the holiday tree, but the bottom line is that even with all of these fundraising activities, we still have been running a slight deficit the last several years, and have been using the limited funds in our savings account to make up the difference. Obviously, this can't go on indefinitely.

So how do we plan to pay for all of the things that we take for granted in the neighborhood? Do you enjoy the parades we have for the kids? Well, parade permits, alone, cost us over \$400 last year. What about this newsletter you're reading? How many neighborhoods that you know of have a newsletter as nice as this one? Well, printing it up cost us over \$1000 dollars last year. Arts in the Park? That costs about \$700. And next year, if we have a holiday tree, we going to pay the "market" rate for getting it decorated, since the company that had

been doing the decorating in the past can no longer afford to give us "pro bono" rates.

All of these activities make Sudbrook Park a special place to live and, in fact, increase your property value. Why? Because people know about this place and know that it's unique. And that makes your property more marketable. But there's no free lunch. Each year, no matter how hard we try to pinch our pennies (*and we're trying very hard*), things tend to get a little more costly. That's why we can't afford not having you as a regular dues paying member of the community association! Other communities providing similar services often have mandatory condo fees or mandatory association fees. We don't.

So please be a responsible neighbor and contribute to your community association. This year, in addition to the standard membership form on the last page of this newsletter, we are also setting-up a Paypal payment option through our website - www.sudbrookpark.org. We expect it to be online sometime in April, so if you would like to use this option, please visit our website to see whether it is up and running.

Thank-you for your support. It really does make a difference.

Richard Gruberg, *President, Sudbrook Park Inc.*

BULLETIN TIDBITS

No Lawn Cars, Please.

Sudbrook Park prides itself on being one of the loveliest neighborhoods in the county. You can do your part to keep it that way by not parking on your front lawn! "lawn cars" are an eyesore, so be considerate of your neighbors and park somewhere else!

Western Bike and Pedestrian Plan Workshop

The County Office of Planning is having a workshop on the Western Bike and Pedestrian Plan on April 8 at 7pm at the Pikesville Senior Center. The goal of the plan is to make the western portion of the county inside the Urban-Rural Demarcation Line (URDL), more pedestrian and bicycle friendly. If you have any ideas to contribute, please attend.

Baltimore County Spring Household Hazardous Waste Collection Event -

Sunday, April 11, from 9 am to 2 pm at the Baltimore County Resource Recovery Facility. (Drop-Off Drive off Warren Rd, 1/4 mile west of York Rd and 1/4 mile east of Beaver Dam Rd.)

County residents may drop off unwanted household chemicals, paints, pesticides, mercury thermometers, fluorescent light bulbs, re-chargeable batteries, ammunition, fireworks and automotive fluids. No trash, commercial or institutional materials will be accepted.

For more info contact DEPRM at 410.887.3745. Or visit <http://www.baltimorecountymd.gov/Agencies/publicworks/recycling/hhwinformation.html>.

There's a saying that if you want something done, give it to a busy person. But volunteers who are overworked, get overwhelmed. Sudbrook Park needs a constant infusion of new volunteers to defer the "burn-out" that results from too few trying to do too much.

Please consider lending some time to your community. Volunteer to help on a committee or event – (see a list of volunteer activities on the 2010 Membership Form on page 6). It's the generosity of our volunteers that KEEPS Sudbrook Park such a vibrant, community!

Cylburn Arboretum Grand Re-Opening

Cylburn Arboretum has re-opened and will be hosting an exciting line-up of events in the month of May, all celebrating the refurbishment of the Arboretum and the opening of the new Vollmer Center, a "green" building offering visitor services and information and featuring a 250-seat auditorium.

Of special interest are the events scheduled for the month of May to celebrate the grand opening:

- **Saturday, May 1, the Official Opening of the Vollmer Center:** Dedication of the building and ribbon cutting at 11:00 am, followed by a day of family oriented events, garden demonstrations and activities for all. William Moss, nationally known TV personality and ambassador extraordinaire on urban gardening, will present lectures and programs.
- **Saturday, May 8, Cylburn's Annual Market Day:** A traditional plant sale bringing together plant fanciers, home gardeners and those who just want a nice Mother's Day gift.
- **Three Special Lectures:** The Horticultural Society of Maryland, moving into its new office in the Vollmer Center, will present three special lectures during May. Sunday, May 2 at 2 pm, Carol Warner will lecture on peonies (free); Tuesday, May 11, 7:30 pm, Laura Deeter will lecture on perennials

(\$15); and Sunday, May 30, 2 pm, John Fitzpatrick will lecture on Cylburn's champion trees and specimen trees.

- **Saturday and Sunday May 22-23:** A wide range of horticultural displays, educational workshops and exhibits, all under the auspices of the Federated Garden Clubs, whose annual flower show of judged arrangements will be on display. Free and open to the public.

Other events throughout the month include weekly bird watching walks (*Sundays, 8:30 am*), a history tour (*Sat., May 29, 11 am*), free chamber music (*Wed., May 12, 7:30 pm*), gardening workshops, tours of the Nature Museum, and guided walks on the trails.

Cylburn Arboretum, 4915 Greenspring Avenue (just south of Northern Parkway and east of Sinai Hospital): Enter through the refurbished main entrance on Greenspring Avenue and park in the new parking areas. Open every day of the year. Tours of the buildings, gardens and grounds are offered periodically.

Visit www.cylburnassociation.org or call 410.367.2217 for further information about the association, the events described here, educational programs and other activities and organizations based at Cylburn.

Sudbrook Park's Dumpster Day is Coming (We Hope!)

Once again Sudbrook Park will offer residents an opportunity to dispose of rubbish they've cleaned out during spring cleaning efforts. We're hoping for a Saturday in May; but, the date has yet to be determined as we are waiting on available funds from the country for dumpster services. **We will inform the community as soon as the date is finalized.** Dumpsters will be located at the intersection of Westover and Greenwood Roads from 8:00 am until Noon, or until the dumpsters are filled. *There will be no drop-off after the Noon deadline. Any dumping after that time is considered illegal!*

Two containers will be for general refuse, one container for yard waste and brush (*no lumber*) and a fourth container for metal items, including appliances that do not contain freon. Lawn mowers are accepted only with all gas and oil removed.

The following items ARE NOT accepted:

- × Materials you can dispose of curb side (*paper, cardboard, bottles and cans*)
- × Air conditioners, refrigerators, or anything containing freon
- × Roofing shingles
- × Tires
- × Batteries
- × Liquids (*paint, acids, caustics, pesticides, chemicals, antifreeze, oil, gasoline*)
- × Animal carcasses
- × Wood logs larger than 8" in diameter or 6' long
- × Large stumps
- × Explosive or flammable materials
- × Asphalt, concrete, rock
- × Medical/radioactive waste
- × Asbestos shingles or other asbestos materials
- × Drums or tanks (*unless clean and cut in half*)

ATTENTION YOUNG RESIDENTS... Volunteer to help monitor the dumpsters. This is an excellent opportunity to fulfill community service hours! Contact Bob Caldwell at 410.539.6524.

Volunteers with trucks also needed to take electronics to the Warren Rd. Facility, and possibly paints and liquids to the Eastern Landfill facility in White Marsh. If you can volunteer to help out in any way, contact Bob Caldwell at 410.539.6524.

Help Spruce-Up the Neighborhood on June 5

OK, we're going to try to get you a Dumpster Day (we promise). Why not return the favor by donating a small amount of your time to help spruce-up the neighborhood?!

Neighborhood Spruce-Up Day will be held on **Sunday, June 5th** (weather permitting; but, we do work in drizzle!). We'll be meeting at **1:00 pm at the Sudbrook/Cliveden triangle** – where the community bulletin board is. Please bring your own work gloves; we'll provide trash bags.

Areas that we intend to focus include the litter on Greenwood Rd. (around the S curve) and on both ends of Howard Rd., as well as, leaf debris around several triangles and the bridge, and litter along stream in the park.

This is a great opportunity for school age kids to fulfill community service requirements – however, they should be accompanied by an adult. We'll be serving refreshments afterwards – so come out and give a hand! Do your part to help keep Sudbrook Park beautiful.

For more information, or if you can suggest an area in the neighborhood that needs some attention, contact Bob Caldwell at 410.539.6524.

A NEW BLOCK CAPTAIN IS NEEDED to deliver *The Park Bulletin* to residents on the block of Cylburn Road. Contact Patrick Lackey at 410.653.0995, or PatrickKLackey@aol.com
